# Photoduplication Services Request Form

## General Information

Payment must be made by check or money order drawn on a U.S. bank and made payable to the National Park Service. Payment must accompany the Photoduplication Request Form to begin processing. Allow up to four weeks for processing.

## Conditions of Order and Use

The copyright law governs the making of photoduplications or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for a purpose in excess of "fair use," that user may be liable for copyright infringement. The applicant assumes all responsibility for use of the photoduplications.

The National Park Service can neither grant nor deny permission to copy or publish photographs and other reproductions from this institution's collection. The recipient must decide the propriety of any use of this material, and publication is at the recipient's discretion. Material that is copyrighted or otherwise restricted will not be furnished knowingly.

All photoduplications are prepared on order and may not be returned for credit.
